

Safety Guidelines and Modified Restaurant Practices

In addition to our previous high standards for cleanliness and guest safety, we have modified our business practices to accommodate the PA emergency mandate.

- Payment of your bill is limited to one check per table.
- Seating will be limited to four persons per table. A limited number of six person tables is available and are on a first-come, first-served basis.

We are taking additional health and safety measures, including:

- In addition to normal health and safety training, all staff must participate in an additional, two-hour training session concerning COVID education and management.
- All guests **MUST** wear a face covering at all times except when seated at your table. If you do not have a mask or forgot yours, a mask will be provided to you.
- Salt, pepper, sugar and sugar substitutes will be provided upon request.
- We will provide sanitized, covered, stainless steel flatware. Disposable flatware is available upon request.
- All tables and chairs are sanitized when guests complete their meal and leave the restaurant.
- Disposable paper menus are provided or you may choose "No Contact" menu dining by scanning our QR code shown at the bottom of the menu.

If you are experiencing COVID-19 symptoms such as fever, cough or difficulty breathing, we ask that you kindly return another time.
